Re: Albion Sheridan Township Landfill
Albion, Michigan

Dear Counsel:

As a followup to our meeting on June 28, 1995, I am enclosing an itemized cost summary which documents cumulative expenses incurred by the U.S. Environmental Protection Agency prior to August 31, 1991.

I also have reviewed with Frank Biros, of the U.S. Department of Justice, the status of the Agency's claim in the Brooks Foundry bankruptcy proceeding. We have been informed that no funds from the company's limited assets were allocated to pay the Agency's claim for the Albion Sheridan Township Landfill Site.

I appreciated having the opportunity to meet with all of you on June 28. If I can provide further information, or if you have any questions, please do not hesitate to call me at (312) 353-8514.

Sincerely,

Barbara Wester

EPA EXPENDITURES

Cumulative Costs
Through August 31, 1991

Please Note:

National Contract Laboratory program costs may be significantly understated. These costs do not include any lab costs that may have been billed to EPA prior to FY 1986, if such costs were incurred, and no estimate of the CLP Sample Management Cost (ranges from 6.1 % to 17.0 % of Analytical costs) is provided. A complete accounting of Contract Laboratory Costs normally is provided by VIAR within the documentation process.
